**Exmo Senhor
Presidente
Conselho de Administração TDM-TV
Macau, R.A.E. (China)**

Caro Presidente,

DEBATE ENTRE ANIMA, AAPAM E CANÍDROMO

Estamos a oito meses do final da concessão do Canidromo de Macau, pelo que se torna importante que a comunidade possa ter uma visão mais aprofundada da importância ou não da renovação dessa concessão e para que o Governo, ele próprio, possa tomar a decisão mais acertada.

A Anima convidou a AAPAM e o Canidromo para dois debates no canal inglês da TDM-TV, pedindo, agora, a V. Exa. e à respectiva direcção do referido canal que facilitem esses debates, dada a sua importância para a formação de uma opinião crítica sobre o assunto. O prazo dado às das organizações para mostrarem a sua disponibilidade vai até ao final do corrente mês, mas o convite vai ser profusamente tornado público pela Anima!

A nossa proposta é que o debate seja primeiramente efectuado com o rosto visível da AAPAM, a sua Vice-Presidente, Sra. Josephine Lau, que continua com dúvidas relativamente ao fecho desse espaço e colabora activamente com o Canidromo, co-organizando actividades com a pista, o que pode indiciar poder estar a ser financiada para dividir as organizações de protecção animal.

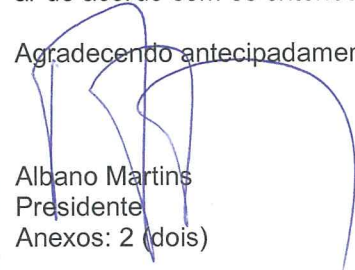

De seguida, a Anima gostaria que o mesmo debate fosse efectuado com o Canidromo, tendo convidado o Sr. Lei Chi Man, Director Executivo da pista e a pessoa mais bem colocada na organização para esse debate.

A Anima será representada pelo signatário, Presidente da Anima, responsável pelo dossier relativo ao Canidromo.

A escolha da língua inglesa deve-se apenas ao facto de ser a língua que os três responsáveis referidos percebem em conjunto.

Sugerimos, como datas, a primeira semana de Maio, sendo que as gravações deveriam ser feitas, a título de exemplo, na Terça-Feira e Quarta-Feira, dias 3 e 4 de Maio e colocadas no ar de acordo com os critérios da estação.

Agradecendo antecipadamente, apresentamos a V. Exa. os nossos melhores cumprimentos.

Albano Martins
Presidente

Our ref 009-04-2016

To:
Ms. Josephine Lau
Vice-President
AAPAM
Macau, SAR (China)

Dear Vice-President,

INVITATION FOR A DEBATE ON CANIDROME

It is usual that AAPAM do not answer us. Several letters were sent to AAPAM by email and by registered post last year and this year, without any answer.

As you know, this year the Government should take a decision regarding the Canidrome.

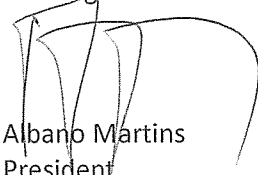

As it seems you prefer to listen the voices of the industry instead of your colleagues who work for the welfare of animals, and as it seems also you have arguments against the closing of the Canidrome this year, or some doubts about that issue, as it came in Hoje Macau (HM 13-04-2016, page 8), co-organizing events with Canidrome even after the public disclosure of the devastating killing news by SCMP in 2011, regarding the greyhounds, please accept our challenge for an open debate between AAPAM and Anima regarding Canidrome in the English channel of our Macau TV (TDM). We will apply to the station for that debate!

We both speak English and we both can help our Government to have a better picture of that industry and the situation of those animals.

Please be informed that another invitation was sent to Mr. Lei Chi Man, the Executive Director of Canidrome.

I am expecting an answer from yours up to the end of this month and as so I am working to get the facility of TDM for the first week of May!

Best regards

Albano Martins
President

Our ref 010-04-2016

To:
Mr. Lei Chi Man
Executive Director
Macau (Yat Yuen) Canidrome Company Ltd.
Macau, SAR (China)

Dear Mr. Lei Chi Man,

INVITATION FOR A DEBATE ON CANIDROME

It is usual that Canidrome never answers us or any other people that writes complaining about the situation of the greyhounds in the track.

We have met three times in our life, two of them in DICJ in 2012, where you promised us to send a dog to Anima and initiate an adoption program that never went ahead.

During these four years, Canidrome was only able to make one adoption and send three animals for adoption in the Macau Kennel!

Your first adoption was to deceive foolish people, let me be honest with you! Who adopted the animal was your own vet (accompanied by a nice young girl) that has the dog in his own clinic, we suspect for using in blood transfusion!

The other three animals were adopted because of the efforts of the Macau Kennel who did a job that should be done by you.

Several adoptions forms were sent by us to you by registered post and no answer at all! I know that you referred several times in our two official meetings that you prefer to work with another association (now I see that it is AAPAM). You never accepted our draft agreement sent by us to DICJ for an honest and responsible adoption program where Anima had exactly the same obligations as the Canidrome!

We are not jealous of this love affair, however the work done by both should be considered ridiculous: only one animal from your both initiative was adopted by your own vet!

You can joke with ignorant people or may finance AAPAM, that makes noise in the streets trying to convince the community that they care about animals, to divide the field of the animal welfare organizations.

We really don't care too much about what you and they do!

Now it is time for you to show your arguments to the Government and to our community in a public debate in our English TDM channel. This is a very important debate as it seems you have irrefutable arguments regarding the maintenance of that track, the only track in the world where no animal goes out alive!

I repeat, please accept our challenge for an open debate between Canidrome and Anima regarding the future of that track, in the English channel of our Macau TV (TDM). And be sure that we will apply to the station for that debate!

We both speak English, you much better than me, and we both can help our Government to have a better picture of your industry, the importance of it for our economy, for the community around and, for sure, for those poor animals .

We are the only people in Macau who knows deeply about Canidrome. You may know even more than me, but I am courageous enough to invite you to accept the debate. What about you?

Are you courageous enough? Or will you stay all your life and time calmly on the back of that killing machine?

I am expecting an answer from yours up to the end of this month and as so I am working to get the facility of TDM for the first week of May!

Best regards
