Our ref 011-11-2017-LCM

**Mr. Lei Chi Man, Stanley**  
**Executive Director**  
**Macau (Yat Yuen) Canidrome**  
**Macau, SAR (China)**

Dear Mr. Lei Chi Man,

## LET'S BE PART OF THE SOLUTION FOR THE GREYHOUNDS

First of all let me thank you for losing your time with another letter sent by me.

As you remember in the past we tried for several times, even with the intermediation of DICJ and some common friends, to help Canidrome to have a proper adoption program.

By reasons that I never understood, Canidrome has refused always our support and even to place some dogs in Anima for adoption.

Our letters and emails were never answered and Canidrome always preferred to use another association as a partner.

You are for sure free to do that but it seems that your partnership didn't produce any noticeable results. Very few greyhounds were adopted and if some has been adopted were thanks to the Macau Municipal Kennel.

Now, with the close of Canidrome and the deadline of July 2018, imposed by the Macau Government, we want again to help your company assuming the responsibility for all greyhounds when Canidrome has to close.

We continue available to be part of the solution for those animals! All will be subject to a proper adoption process and we promise to keep you in touch of all the procedures. We are clean people, we will not use those poor animals for any kind of business as this is not our way of work and we are sure that we will lose a lot of money trying to finance part of those costs!

If you still think that you can handle them better than us, and your project for those greyhounds still alive are better than ours, why we do not discuss this subject in a public debate in English language in one of our TV? I am sure I can get the support of at least two local TV.

Last time my invitation was not answered by you. You lost a good opportunity I gave to you to have the Macau Government in your side and get its decisive support.

Now I am offering to you again this public debate in a Macau TV.

I know that your English is much better than mine but I think the greyhounds deserve the Macau community to see who has better plans for them.

We count on your support for helping all those animals and wait for your answer up to 12<sup>th</sup> December 2017!

Thanks for your kind support.

Best Regards,

Albano Martins
