ESTATÍSTICAS DA ANIMA DE 2016-2017

Em meu nome pessoal e da Anima apresento a V. Exa. e a toda a equipa do IACM os nossos agradecimentos pela boa cooperação alcançada entre as nossas organizações no ano passado.

Damos hoje conhecimento das nossas estatísticas relativas a 2017 em comparação com 2016 em três línguas e os números da Anima na versão inglesa e Chinesa e Chinesa-Inglesa. Estamos a trabalhar na versão portuguesa que será apresentada no final do primeiro trimestre. Por uma questão de rotina, passaremos a enviar as estatísticas da Anima trimestralmente.

Assim, em 2017, foram resgatados 145 cães e 498 gatos, sendo que apenas foram adoptados 52 cães e 122 gatos, o que pode mostrar a nossa aflição para dar apoio a todos os pedidos de resgate e adificuldade que será centrar as adopções de galgos apenas em Macau.

Finalmente fica um apelo ao IACM. Apenas o IACM e a Anima apresentam estatísticas de animais e as tornam públicas. Todas as organizações que trabalham com animais na qualidade de Sociedades Protectoras ou de instituições similares devidamente registadas nos SIM deveriam mostrar mais transparência e publicitar ou comunicar ao IACM informação similar à que o IACM ou a Anima publicam, permitindo ao IACM que tivesse uma visão mais rigorosa sobre a situação de bem-estar animal e pudesse divulgar depois no seu site toda a informação agregada sobre animais.

Agradecendo antecipadamente, apresento a V. Exa. os nossos melhores cumprimentos.

Albano Martins

Presidente

Our ref 009-01-2018-IACM

Dr. José Maria da Fonseca Tavares
President
Board of Directors
IACM
Macau

STATISTICS OF ANIMA 2016-2017

In my personal name and in the name of Anima I present to you and to the entire IACM team, our thanks for the good cooperation we have achieved between our organizations last year.

We now report our statistics for 2017 compared to 2016 in three languages and the numbers for Anima in English and Chinese and Chinese-English versions. We are working on the Portuguese version that will be presented at the end of the first quarter.

As a matter of routine, we will begin to send Anima statistics quarterly.

Thus, in 2017, 145 dogs and 498 cats were rescued, of which only 52 dogs and 122 cats were adopted, which may show our difficulties to support all requests for rescue and focus the greyhound adoptions' process only in Macau.

Finally we make an appeal to IACM. Only IACM and Anima disclose animal statistics and make them public. All organizations working on animals as Societies for Protecting Animals or similar institutions duly registered in SIM should show more transparency and publish or communicate to IACM information similar to that published by IACM or Anima, allowing IACM to have a more rigorous view on the animal welfare situation and be capable to disclose all the aggregated Macau animal information on IACM site.

Thanks in advance for your cooperation.

Yours sincerely,

Albano Martins
President
Anima
