Our Ref 003-07-2015-CE

**Honourable Dr. Chui Sai On**

**Chief Executive,**

**Macau SAR (China)**

Dear Dr. Chui,

## **INTERNATIONAL ROUNDTABLE REGARDINGS GREYHOUNDS**

Macau will hold an International Roundtable on July 23, regarding Greyhounds. July 24 will be an open day for visits to several institutions and Macau as a World Heritage city.

This working day will mainly concentrate in the situation of the Greyhounds in Macau.

However, other issues regarding other countries will be also discussed.

As this is a working day, few institutions have been invited. Between them we have GREY2K USA Worldwide, the biggest greyhound organization in USA, Animals Australia, Animals Asia (HK and China, mainly known by the rescue of the black bears, moon bears), RSPCA (UK), the eldest world animal welfare organization, RSPCA (Australia), SPCA (HK) and several other organizations that may help us to reallocate the Greyhounds, once the Caníndrome closes at the end of this year, as we humbly ask you to do so.

On behalf of those organizations I should like to ask the Macau Chief Executive to receive them in the Government Palace on July 24 at 10:00 am.

On that time, Anima will deliver the results of our petition to stop the suffering of our greyhounds in Macau.

Respectfully

Albano Martins  
President

Enc: 1 (one): greyhounds euthanized from Feb to June 2015.
