Mr. Leong Vai Tak
Secretary for the Economy and Finance Affairs
Macau Government
Macau, SAR (China)

Dear Secretary Lionel Leong,

IMPORTATION OF GREYHOUNDS

As a precaution, may I ask you again to take in consideration our suggestion of do not allow anymore importation of greyhounds until the Government takes the final decision about Canidrome? Dogs continue to be imported at an average rate of 30 per month!

According to our sources of information from Australia a group of around 30 more dogs will be exported to Macau this month!

If the Government takes such decision, the number of animals that continue to be killed every month (around 30) will be reduced drastically. This decision will facilitate all the process of saving and transfer of the remaining greyhounds in case the Government decision is, as we expect, not the renewal of such concession.

In case your decision is to close the Canidrome, Anima reinforces its commitment to support the Government taking care of all animals during the process of finding adopters for them, if the owners do not want them. We can manage and take care of those animals there while the Government prepares the best plan for the redevelopment of the space.

Thanks.

Best Regards,

Albano Martins
President
